Educators will be taking photos of activities and children in the day to day activities in the centre for the purpose of developmental reporting and secure parent communication using our private Kinderloop. This includes group photos shared with other family members from LOOSH. If you wish for your child **not be photographed**, please tick here: You will still have access to all Kinderloop features however photos containing your child will not be posted by educators. I understand by signing this form, I will be added to the LOOSH kinderloop platform. That can be accessed via the free Kinderloop plus app or web browser. You agree to never share photos anywhere other than kinderloop, we appreciate your respect in regards to the privacy of other families.
