St. Fiacre's OOSH is a service operated by Leichhardt Out O School Hours Incorporated Association. St. Fiacre's OOSH provides after school care service on the St. Fiacre's Primary Catholic School grounds from Monday to Friday from 3pm to 6pm.

St. Fiacre's OOSH does not operate before school care and vacation care programs from St. Fiacre's school grounds. For more information on LOOSH programs, check out the [LOOSH Website](#).

St. Fiacre's OOSH is run by the St. Fiacre's Coordinator (Nominated Supervisor), under the direction of the LOOSH Parent Management Committee (Approved Provider).

Our Philosophy

Leichhardt Out Of School Hours (LOOSH) is a not for profit incorporated association, managed by its members and led by dedicated, professional educators. Its primary role is to provide a safe and nurturing environment for children which enables parents and carers to pursue work, study/training or other activities.

LOOSH is a professional and accredited service that strives to offer quality care in a child-focused environment.

At LOOSH we:

- Value the role of play. This is demonstrated through the wide variety of supervised recreational activities we offer that support learning and encourage children to express themselves and their opinions. Play helps the children to develop self-resilience and build self-esteem.
- Create a positive atmosphere that fosters the particular social, emotional, creative and physical development of middle childhood in primary school-aged children.
- Value equity and promote a fair and inclusive environment where all children, families and educators are treated as equal and valued individuals, and confidentiality is respected.
- Are inclusive of diversity, fostering awareness, respect, empathy and supporting the interaction between people with different cultural, religious and socio-economic backgrounds. We cater for the differences in age, physical and intellectual development and abilities of each child.
- Cater for the physical wellbeing of children by providing tasty and healthy food that adheres to the Australian Guide to Healthy Eating.
- Strive for continuous improvement and reflection through educator's professional development and training in order to provide the best quality care.

Program Planning

In addition to supervised outdoor play and free play with St. Fiacre's OOSH/LOOSH games and resources, we run structured activities within the program. Children's profiled interests, child /parent feedback and suggestions, provide educators with ideas. The St. Fiacre's OOSH/LOOSH educators meet weekly to plan activities and experiences for the children as well as to evaluate the previous week's program.

St. Fiacre's OOSH/LOOSH aim to provide a range of craft, cooking and construction activities to meet the specific needs of school-aged children. As a choice-based program, educators encourage children to find an activity they would like to participate in and support them in creating activities for themselves and other children. Program plans specific to each program can be located in each of the parent areas and available for families through Kinderloop (Kinderloop is the device application

that connects families and childhood educators through real an online portal, where parents can see our menu and activities during the day).

Homework support & tutoring is not part of the LOOSH/ST. Fiacre's program. However, understanding the time constraints that busy parents have, an area can provided to allow children to do their homework.

The viewing of videos is limited in the centre. Videos will be part of a varied program that strives to meet the developmental needs of school-aged children.

We love getting new ideas & suggestions for things your child would like to do at our service. Please discuss your ideas with St. Fiacre's OOSH/LOOSH educators.

OSHC National Quality Standard

The Department of Early Childhood Education and Care' *"My Time, Our Place- A Framework for School Age Care in Australia"* was released in 2011 and the ECECD assess services using the National Quality Framework over seven quality areas:

- Educational program and practice
- Children's health and safety
- Physical environment
- staffing arrangements
- Relationships with children
- Collaborative partnerships with families and communities
- Leadership and service management

ST. Fiacre's was assessed as Meeting the Standard in December 2015. LOOSH was assessed as Exceeding the Standard in January 2017. Educators develop an annual Quality Improvement Plan which are used to set individual & team goals.

The LOOSH Management Committee works to develop strategies to engage parents and children in the Quality Assurance process.

Afternoon Tea

Educators will encourage healthy and hygienic eating habits while with the children in line with the Healthy Eating Guidelines. Afternoon tea are offered to the children as part of after school care. Weekly menus are posted in each program area for parents & children to view and it is also available on Kinderloop. Fresh fruit or vegetables are always offered as part of afternoon tea. Fresh drinking water will be available at all times. Parents are encouraged to share family and multicultural values, ideas and recipes. Consideration of children's individual requirements and consideration to allergies will be given during menu planning.

Leichhardt OOSH provides breakfast for before school care from 7:30am to 8:30am.

During vacation care, parents will be asked to ensure their child has had breakfast prior to arriving and provide their child's lunch and drinks, unless otherwise stated on the program. Fruit will be served each afternoon during vacation care. We ask parents to respect LOOSH 's aims to be a nut-free environment when packing food for their child.

Policies & Procedures

Expectations of Parents

Parents are expected to be familiar with the procedures outlined in this handbook. They are encouraged to raise any concerns they may have with the Director (director@loosh.org.au) or a committee member, as soon as possible. A list of parent management committee members are posted in the centre and also on Kinderloop) – parent committee confidential email address: leichhardtoosh@live.com.

Parents are expected to communicate all relevant information regarding their child, including up-to-date contact details and medical information. A copy of LOOSH's Policies & Procedures Manual is kept in the office and is available online at www.loosh.org.au.

Sign In/Out Procedures

Parents, guardians and tutors are required to enter the centre and sign their child in and out for before school, after school, and/or vacation care. Parents who do not meet this requirement are jeopardising their childcare spot. Children will only be released to people nominated by parents in the enrolment form online (my family lounge website) or in writing by a parent or guardian through emailing to stfiacres@loosh.org.au. It is important that you let us know when someone different will be picking up your child to ensure children safety. Children are not to leave the centre unaccompanied. Children can only leave the center after being sign out in the online system (Kiosk). Digital sign in & out kiosks are located on iPads in each parent area. Sign in/out records are used for CCS reporting and safety purposes. Sign in/out sheets are also used during evacuations as a record of children who are on the site at the time.

Parents are required to provide written consent for all of their child's special arrangements (band, tutoring, dance, etc.) that take place during the time they are in St. Fiacre's OOSH/LOOSH care. Tutors will sign children out of and back into our care according to these arrangements.

Absences

Parents are asked to please notify the centre in advance before 3pm, if their child will not be attending a booked session. Parents who fail to give notice will be charged a \$10 search fee per family. **The school does not pass on absentee information to us. Please notify us if your child is absent from school.** Payment will be required for permanently booked days, even if your child does not attend.

Late Collection

Children are to be picked up promptly by 6:00pm. Failure to do so will incur the late fees outlined in Section A.5.3.9 of LOOSH policy and procedures. Parents who are late on a regular basis may forfeit their child's position in the program.

If you are running late please make a courtesy call to the centre to inform educators and your child of the estimated time of your arrival.

If a child has not been collected by 6:10pm, educators will attempt to contact a parent/ guardian or emergency contact. If these contacts cannot be reached and/or alternate arrangements have not been communicated to the educators by 6:30pm, St. Fiacre's OOSH/LOOSH will contact the Department of Early Childhood Education and Care for further advice and action.

NOTE: It is important to keep all contact numbers up to date in case of an emergency.

Change of booking

When requiring a change to permanent booked days, parents are asked to complete the Request for Change of booking online or notify us by email. Families failing to provide 2 weeks' notice will be charged for the permanently booked days for the 2 weeks following the child's last day in the program.

Requests for additional days are dependent on the availability of spots. Booked days cannot be "swapped" for other days. Additional casual days can be requested at any time but will depend on casual available spots.

Parent Feedback

Feedback from and consultation with parents is an important aspect of quality improvement and service evaluation. Parents will be asked to complete surveys and questionnaires relating to the programs or participate in parent information sessions. Please feel free to give feedback at anytime using the emails below.

Complaints Process

At LOOSH we are always aiming to serve you better. We hope that parents will feel comfortable sharing any issues or concerns they have with regard to the centre without fearing negative consequences. Parents may raise issues verbally or in writing with the Director or Management Committee at any time.

Director Email: director@loosh.org.au

Management Committee Email: leichhardtoosh@live.com

Communication with Parents

Every effort will be made to connect with parents face to face to pass along any important information about the centre and/or your child. Where this is not possible, we will use the following tools to communicate with parents.

- **Sign in/out Kiosk.** Messages and notifications are left via the kiosk at sign in/out.
- **Newsletters.** Our newsletter is published at the beginning of each term. We hope you will take the opportunity to read it, as it contains information about your child's care and our LOOSH community.
- **Parent Committee Meeting Minutes.** While we hope you will consider joining the Parent Committee, we recognise that not all parents can make the monthly meetings. The minutes of each meeting are kept in a folder in the office and are available for parents to review.

- **Email.** In order to reduce our impact on the environment, if you have provided us with an email address, we will use this as the primary means of sending you program information and updates.
- **Social Media.** We encourage you to follow us on [Facebook](#)
- **Kinderloop. NEW in 2019.** By logging into your [Kinderloop](#) account you will be able to access photos and journals of your child's care experience.

Privacy & Confidentiality

St. Fiacre's OOSH/LOOSH recognises that everyone has the right to privacy and confidentiality, and the right to be treated with dignity.

St. Fiacre's OOSH/LOOSH will gather and maintain only the information about children and families that is necessary for the provision of services and to fulfil funding and reporting requirements. We will ensure that all personal details are kept confidential and will only disclose information with the families' permission. Only the information necessary for the processing of CCS will be forwarded to Centrelink.

All communications about your child will be kept as confidential as possible. For this reason, the Director/Coordinator may ask you into the office to ensure privacy. You may also be asked to return at a quieter time to discuss issues of importance.

Educator to Child Ratios

The centre operates with appropriate educator to child ratios of 1:15 at the centre, 1:8 on excursions and 1:5 while swimming. Experienced and/or qualified supervisors and educators are employed to provide quality care for the children. Educators are committed to programming and implementing a variety of activities that facilitate fun and discovery in a safe and caring environment. We believe that the child to educators' ratio is an important factor in determining the quality of care that we provide. We aim to maintain positive educators, child and parent interactions and quality and safe care by ensuring that we meet the minimum standards outlined in the regulations for the National Quality Framework. Staffing Arrangements are posted in each program area. The service complies with the Working With Children Check as required by the Commission for Children and Young People.

Centre Rules

Centre rules are revised by educators and children at the start of each school year. Behavioural guidelines focus on respecting ourselves, each other and the LOOSH/ST. Fiacre's OOSH environment. Children are encouraged to follow the rules and accept responsibility for their behaviour. Logical and natural consequences will be given to children in the program when St. Fiacre's OOSH/LOOSH rules are broken. Behavioural issues will be discussed with parents when they are ongoing or of a serious nature. It is expected that St. Fiacre's OOSH/LOOSH children follow Leichhardt Public School and St. Fiacres Primary School rules while they are at St. Fiacre's OOSH/LOOSH.

Behaviour Expectations

St. Fiacre's OOSH/LOOSH reserves the right to suspend or remove a child from the program who is repeatedly behaving inappropriately/unsafely. Prior to withdrawing, every effort will be made to consult with the child's parents/guardians and to implement appropriate behaviour management strategies.

Sun Smart

St. Fiacre's OOSH/LOOSH are a recognised SunSmart Centre through the Cancer Council. We aim to ensure that all children attending the centre will be protected from harmful rays of the sun. Children should wear protective clothing when outside such as hats that protect their face, ears and neck, and shirts that cover their shoulders and necks. Educators will direct children to wear hats for outdoor play. Children who do not have a hat must play in a sheltered area- 'no hat play in the shade'. An SPF 30+, broad spectrum, water resistant sunscreen will be made available in the centre and applied to children when exposed to the sun. Educators will post UV ratings at the service each day and direct children in sun protection.

Injury, Illness & Infectious Diseases

We aim to provide a safe and hygienic environment that will promote the health of the children. All care and consideration will be given to the child who becomes ill while at the centre. If a child is unwell at home parents are asked not to bring the child to the centre. If a child becomes ill or develops symptoms at the centre the parents will be contacted to take the child home.

In the case of an emergency, where a parent cannot be contacted, the child will be taken to a doctor, a local medical centre or an ambulance will be called. All incidents and accidents are recorded.

Parents should notify the centre if their child is ill with any contagious illness, including diarrhea and conjunctivitis. The child will be excluded for a period based on the recommendations outlined by the Department of Health. A doctor's clearance certificate will be required for all infectious diseases including, but not limited to measles, mumps, diphtheria, hepatitis A, polio, tuberculosis, typhoid and paratyphoid before returning to the centre.

Medication

If your child requires prescription medicine during their time in the program, a medication consent form needs to be completed and signed by a parent and returned to LOOSH/ST. Fiacre's OOSH office or given to educators. The medicine must be provided in its original packaging with the prescription label intact.

In an emergency, Asthma (inhaler) & Anaphylaxis (Epi-pen) medication will be administered to children experiencing breathing difficulty without requiring prior parental consent.

Lost Property

We recommend clearly labelling all children's clothing and property with their name. Lost property is taken to the school lost property at the end of each session. We encourage children to take responsibility for their property. St. Fiacre's OOSH/LOOSH are not responsible for lost or stolen items. Please ensure that items of value, whether sentimental or monetary, are left at home. If it is necessary for your child to have a mobile phone it should be handed into the ST. Fiacre's OOSH/LOOSH office during program time.
